# FAVORITE BAND

Obviously I love the lead singer, Adam Levine, but I also love their music. I have enjoyed their music for years, but even more so in the last several years. I have seen them in concert twice in Kansas City, and will see them anytime they are within driving distance.

# FAVORITE TV SHOW

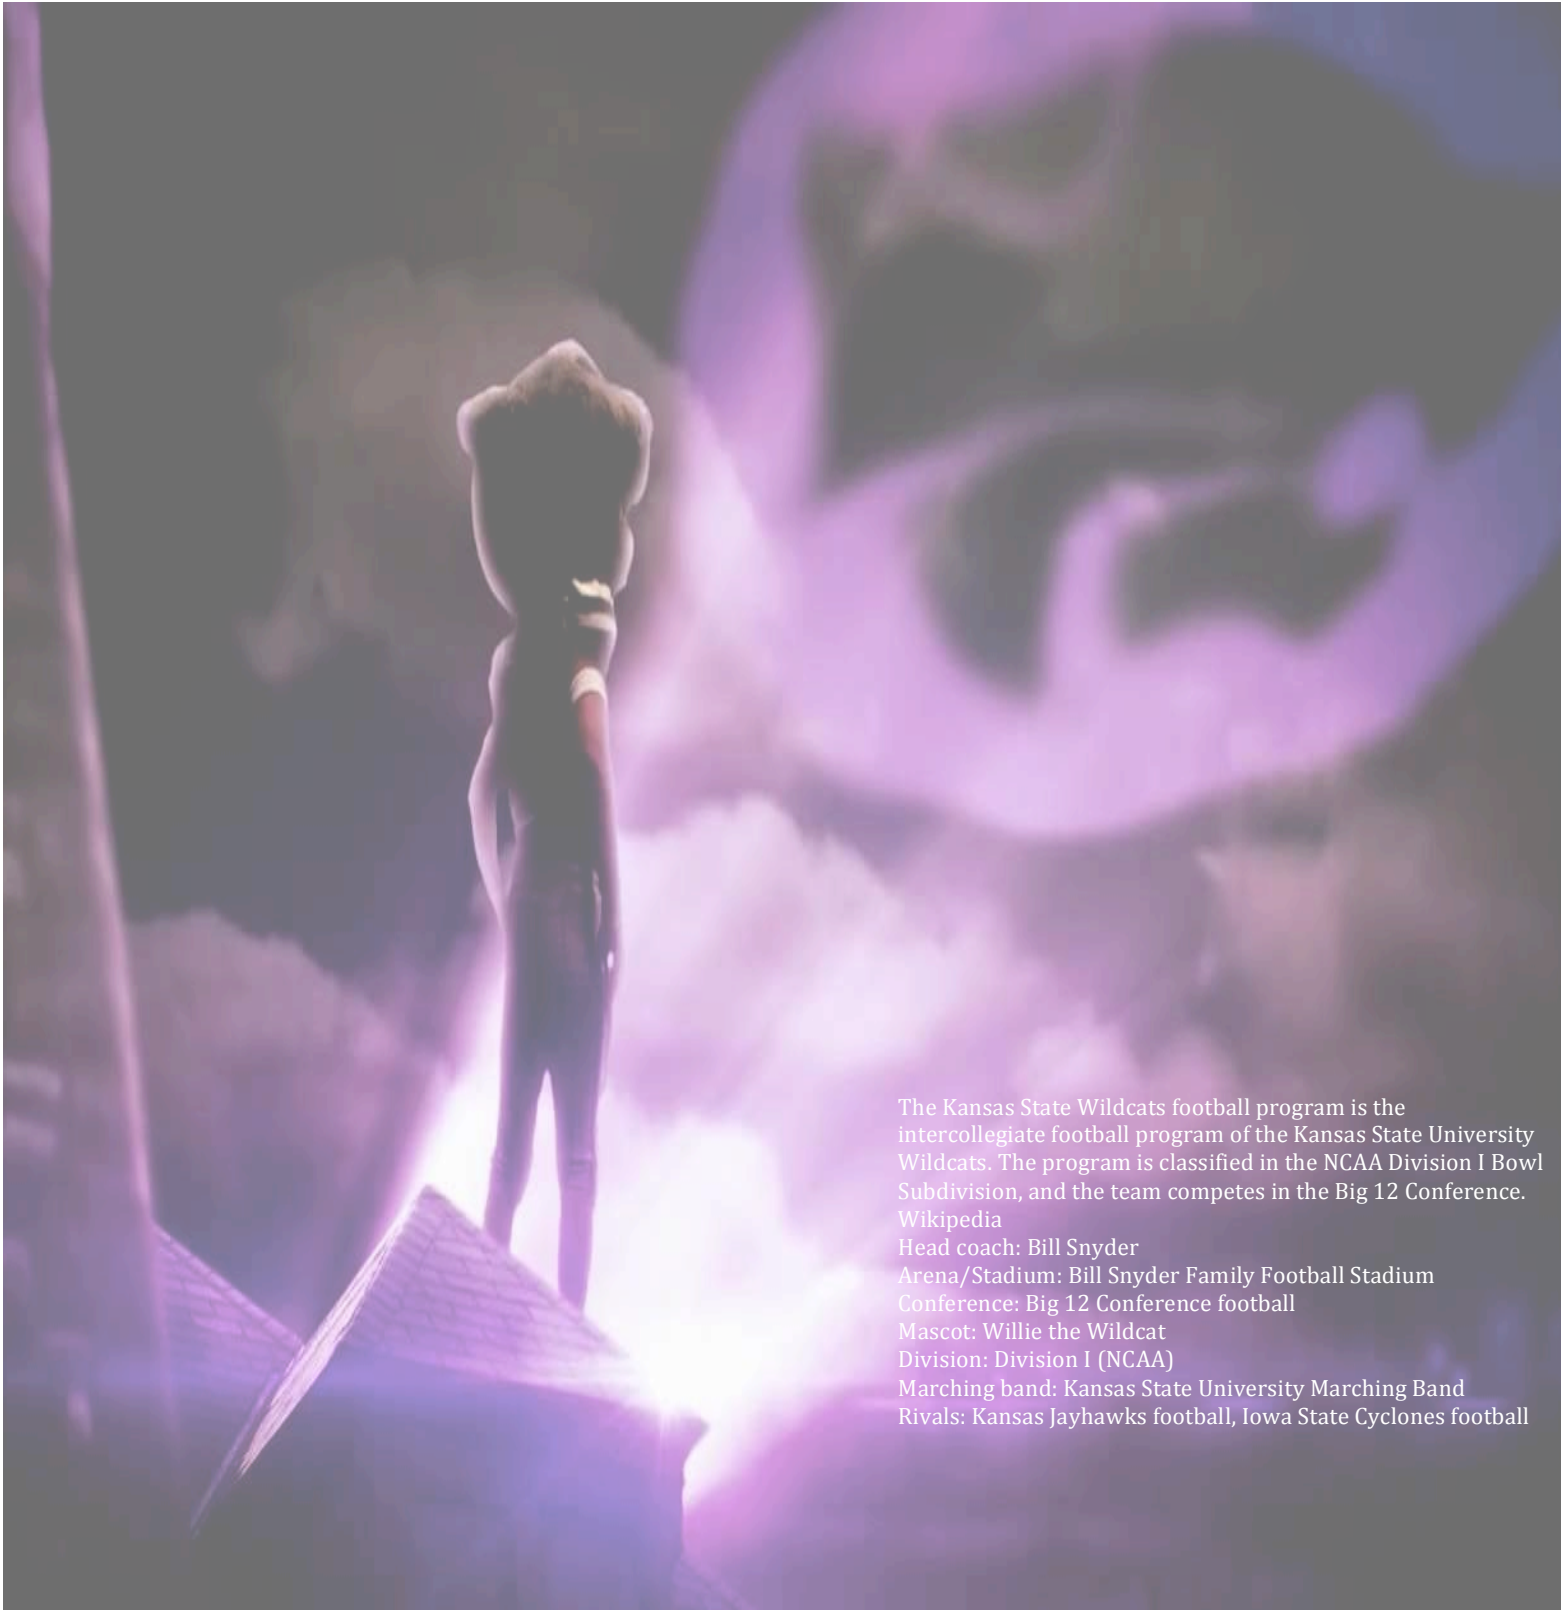

Sometimes life will surprise you. Starring Mandy Moore ("A Walk to Remember"), Milo Ventimiglia ("Heroes," "Gilmore Girls") and Sterling K. Brown ("The People v. O.J. Simpson: American Crime Story"), this refreshingly honest and provocative series follows a unique ensemble. As their paths cross and their life stories intertwine in curious ways, we find that several of them share the same birthday and so much more than anyone would expect. From the writer and directors of "Crazy, Stupid, Love" comes a smart, modern dramedy that will challenge your everyday presumptions about the people you think you know.

My Mother is my favorite teacher. She was an amazing kindergarten teacher that even won Teacher of the Year for this school district. She made me want to be a teacher.
